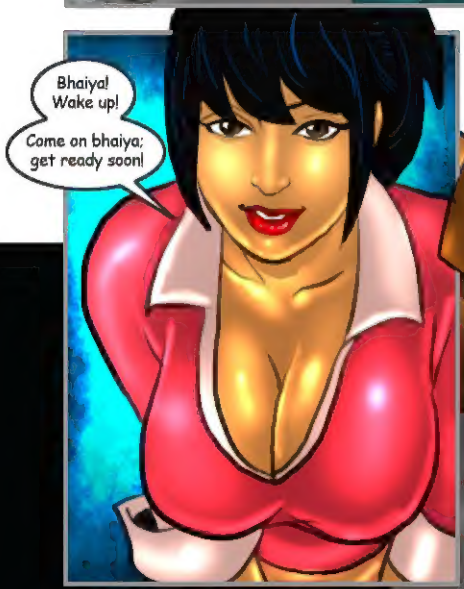
Mmmm, you've certainly grown fond of Varun's cock since he took your virginity last month.
I-It's not like that bhabhi! It's just... that Varun has already fucked me so it's ok with him...
What about you? How did you lose your virginity?
It was with my cousin, Raj.
Gosh, how long has it been since then! It was my 18th birthday...
I was an innocent young girl at the time...and I had a huge crush on Raj Bhaiya, who was in college at the time. Our family was a joint family and I used to hang out with him all the time. It was my birthday and my family was going to a riverside for a picnic to celebrate...
Looks like we're all packed now.
Did you wake up Raj? He returned home quite late last night.
Oh my, I forgot to wake him today...!
Did you pack Raj bhaiya's favorite pastries, Mom?
He really likes the chocolate ones!
Yes, I packed everything! But you'd better go wake him up or we'll be late...

kirtu.com

Ha ha, look at her. It's her birthday and she's more interested in Raj's favorite food than in the gifts we got her!

Raj's Room
He looks so sweet when he's asleep...



Bhaiya! Wake up!
Come on bhaiya; get ready soon!

Yawn, What's the hurry?
Don't be so lazy bhaiya...it's my birthday!

After we reached the picnic site; Raj bhaiya and me went for a walk along the riverbank alone...
Thanks for this locket bhaiya!
I'm going to wear it all the time.
Her breasts are pressing into my arm...
Ohhh, if only she wasn't my cousin!
Oooh, it's so cold!
Be careful Savita; the ground is a little slippery there...
Don't act so grown up bhaiya...I'll be care
Ahhh...
SPLASH!!!
kirtu.com

Awww, now I'm all wet!
Ha ha! I told you to be careful!
You think it's really funny; do you!
SPLASH!!!
Now who's laughing...
You're as wet as I am!
Kkirtu.com

Look what you've done now... We can't go all the way back in such a cold wind soaking wet like this!
Let's go into the forest and hang our clothes out to dry in there.
I'll leave my clothes to dry over here and you can go change a little further into the forest.
But, bhaiya...I don't want to be alone out there.
Can't I stay here with you?
OK, now take off your clothes before you catch a cold!
Look at the size of her boobs...
They're popping right out of her bra!
kirtu.com

Bhaiya!!!
Stop staring at me like that.
I'd better sit down before she notices the bulge in my shorts.
Brrrr... The water was so cold!
I'm still shivering.
Me too!
I've got an idea! You can sit on my lap and we can share body heat that way. I've seen it mountain climbers do it on the 'Discovery Channel'!
Ha ha... Very funny bhaiya!
I think I've grown too old to be sitting on your lap.
Fine! You were the one feeling a bit chilly!

Soon...
I've never been this close to Raj bhaiya before!
Mmm, she smells nice!
and her breasts feel so soft!
